Subsequent written proof of the continuance of such disability must be given to **Us** at such intervals as **We** may reasonably require.

Failure to give complete **Proof of Loss** within these time frames will not invalidate or reduce any otherwise valid claim if notice is given as soon as reasonably possible, and in no event later than one (1) year after the deadline to submit complete **Proof of Loss**, except in cases where the claimant lacks legal capacity.

For all claims except those involving disability, complete **Proof of Loss** must be given to **Us** within ninety (90) days after the date of **Loss**, or as soon as reasonably possible.

GCA5174

Claim Payment

For benefits payable involving disability, **We** will pay the **Insured Person** the applicable **Benefit Amount** no less frequently than monthly during the period for which **We** are liable. All payments by **Us** are subject to receipt of complete **Proof of Loss**.

For all benefits payable under this policy except those for disability, **We** will pay the **Insured Person** or beneficiary the applicable **Benefit Amount** within sixty (60) days after **We** receive complete **Proof of Loss** if the **Insured Person**, the **Policyholder** and beneficiary, where applicable, have complied with all the terms of this policy.

GCA5176

Claim and Suit Cooperation

In the event of a claim under this policy, the **Policyholder**, the **Insured Person** or the beneficiary, if applicable, must fully cooperate with **Us** in **Our** handling of the claim, including, but not limited to, the timely submission of all medical and other reports, and full cooperation with all physical examinations and autopsies that **We** may require. If **We** are sued in connection with a claim under this policy, then the **Policyholder**, the **Insured Person** or the beneficiary must fully cooperate with **Us** in the handling of such suit. The **Policyholder**, the **Insured Person** or the beneficiary must not, except at their own expense, voluntarily make any payment or assume any obligation in connection with any suit without **Our** prior written consent.

GCA5178

Entire Contract and Application

This policy, the **Policyholder's** application and the **Primary Insured Person's** application, if any, together with the endorsements attached to this policy, constitute the entire contract of insurance. If an application is completed by the **Policyholder** or **Primary Insured Person** in connection with this policy, then **We** will attach the application to the policy when the policy is issued.

GCA5182

Examination Under Oath

We have a right to examine under oath, as often as **We** may reasonably require, an **Insured Person**, the **Policyholder** or the beneficiary. **We** may also require the **Insured Person**, the **Policyholder** or the beneficiary to provide a signed description of the circumstances surrounding the **Loss** and their interest in the **Loss**. An **Insured Person**, the **Policyholder** and the beneficiary will also produce all records and documents requested by **Us** and will permit **Us** to make copies of such records or documents.

GCA5183

Governing Jurisdiction and Conformance With Statutes

This policy is governed by the laws of the jurisdiction in which it is delivered to the **Policyholder**. Any terms of this policy which are in conflict with the applicable statutes, laws or regulations of the jurisdiction in which this policy is delivered are amended to conform to such statutes, laws or regulations.

GCA5184

Inadvertent Error

The insurance provided under this policy will not be prejudiced by the failure on the part of the **Policyholder** to transmit reports, collect and remit premium or comply with any of the terms and conditions of this policy when such failure is due to an inadvertent error or clerical mistake, provided that such inadvertent error or clerical mistake is corrected promptly upon discovery.

An inadvertent error or clerical mistake by **Us** or by the **Policyholder** may be corrected upon discovery with notice by the **Policyholder** to **Us** or by **Us** to the **Policyholder**.

GCA5186

Informational and Advertising Material

The **Policyholder** and its representatives must gain **Our** prior written approval of all material used for advertising and solicitation relating to this policy, regardless of the medium in which such material appears. **We** will not be responsible for any increase in payment or any changes in insurance resulting from such materials that have not been approved by **Us**.

GCA5188

Legal Action Against Us

No legal action may be brought to recover on this policy until sixty (60) days after **We** have been given complete **Proof of Loss**. No such action may be brought after three (3) years from the time complete **Proof of Loss** is required to be given. No such action may be brought unless there has been full compliance with all of the terms of this policy.

In no case will **We** be liable for benefits that are not payable under the terms of this policy or that exceed the applicable **Benefit Amounts** or limits of insurance of this policy.

GCA5190

Liberalization

If **We** adopt any changes:

- 1) within forty-five (45) days prior to the policy effective date shown in the Insuring Agreement; or
- 2) during the Policy Period,

which broaden this insurance without an additional premium charge, then the **Insured Person** will automatically receive the benefit of the broadened insurance.

GCA5192

Newly Acquired or Newly Formed Organizations

If the **Policyholder** acquires or forms another entity that becomes a **Subsidiary**, then the **Policyholder** may request that all eligible members of the **Subsidiary** become insured under this policy subject to the following:

- 1) all eligible members of such **Subsidiary** fit the **Class** Description shown in Section I of the Schedule of Benefits;
- 2) the **Subsidiary** is acquired or formed during the Policy Period;
- 3) the **Policyholder** reports the name of the **Subsidiary** within ninety (90) day(s) after its acquisition or formation together with such information that **We**, at our sole discretion, may require to determine the additional premium required; and

- 4) the **Policyholder** pays the additional required premium.

Item three (3) above does not apply to a **Subsidiary** with less than 100 eligible employees unless the number of eligible employees for such **Subsidiary** exceeds ten percent (10%) of the insured group.

This insurance shall not apply with respect to any newly acquired or formed **Subsidiary** for which the above criteria have not been met. This insurance will be effective on the acquisition or formation of the **Subsidiary** and will be provided for no more than ninety (90) day(s) after the date of such acquisition or formation. The **Policyholder** will be responsible for the payment of additional premium for the period such insurance remains in effect.

This insurance does not apply if the **Policyholder** advises **Us** in writing that it does not seek insurance under this policy for such newly acquired or formed **Subsidiary**.

GCA5195

Physical Examination and Autopsy

We have the right to have an **Insured Person** examined by a **Physician** approved by **Us**, as often as reasonably necessary while a claim is open. **We** may also have an autopsy done by a **Physician**, unless prohibited by law. Any examinations or autopsies that **We** require will be done at **Our** expense.

GCA5193

Premium Payment

The **Policyholder** will collect and remit to **Us** all premium due under this policy, subject to the grace period.

Premium is adjustable. The earned premium is calculated for each reporting period based on the applicable rates and exposures. The **Policyholder** must keep records of the information **We** need to calculate the premium and send **Us** copies of these records for each reporting period.

The earned premium will be computed on a pro-rata basis. Any unearned premium will be remitted to the **Policyholder** for return to the **Primary Insured Person** as soon as practicable.

GCA5196

Premium Provisions

The **Policyholder** will pay all premium due under this policy, subject to the grace period. Annual Premiums and Deposit Premiums are due at the beginning of the Policy Period and each future Anniversary Date unless otherwise indicated on the Premium Summary.

If premiums are adjustable, then **We** will compute the earned premium for each audit reporting period based on the applicable rates and exposures. The **Policyholder** must keep records of the information **We** need to perform the adjustment and send **Us** copies at **Our** request.

If the policy is written subject to adjustment shown in the Premium Schedule, then the **Policyholder** must report to **Us** the complete information for the reporting period shown in the Premium Summary. The **Policyholder** must submit the reports within the specified number of days after the end of each Reporting Period.

At the earlier of the end of the Policy Period or the policy termination, earned premium will be determined based on the reported values or exposures. If the resulting earned premium is less than the Deposit Premium, if any, then **We** will return the excess to the **Policyholder**. If the resulting earned premium is greater than the Deposit Premium, if any, then **We** will bill the **Policyholder** for the additional premium. The **Policyholder** will pay **Us**, within thirty (30) days, any additional premium generated from the premium adjustment.
GCA5197

Premium Rate Change

We may change the premium rates for this policy on the Anniversary Date. **We** will give the **Policyholder** at least forty five (45) days prior written notice of such change.
GCA5198

Records and Audit

We may examine the **Policyholder's** books and records relating to this policy at any reasonable time during the policy term and up to three (3) years after expiration of this policy or until final adjustment and settlement of all claims under this policy, whichever is later.

The **Policyholder** must maintain information pertaining to **Insured Persons** including but not limited to each **Insured Person's Benefit Amount, Class, Salary**, enrollment form, if any, and beneficiary designations or assignments.
GCA5204

Statements by Policyholder or Insured Person and Incontestability

We will not use any statements, except fraudulent misstatements, made by the **Policyholder** or the **Insured Person** to void the insurance or reduce benefits payable under this policy, or to otherwise contest the validity of this policy, unless such statements are contained in a written document signed by the **Policyholder** or the **Insured Person**. If We rely on such statements for this purpose, then We will provide a copy of the written document to the **Policyholder**, the **Insured Person** or the **Insured Person's** designee or beneficiary, as appropriate.

We will consider all statements made by the **Policyholder** and the **Insured Person** to be representations and not warranties.

Except for nonpayment of premium, We will not use statements made by the **Policyholder** or the **Insured Person** regarding insurability to contest the validity of this policy when the statements are made more than two (2) years after this policy has been in force during the **Insured Person's** lifetime.

Nothing in this section will preclude Us from asserting at any time defenses based upon a claimant's ineligibility for insurance under this policy, or upon any other policy provision or condition.
GCA5206

Titles of Paragraphs

The titles of the various paragraphs of this policy and any endorsements attached to this policy are inserted solely for convenience of reference and do not limit or affect in any way the provisions to which they relate.
GCA5208

Workers' Compensation

The benefits payable under this policy are not in lieu of and do not affect any requirement for workers' compensation insurance.
